

AYP Chapter 2 Spring Learning Event

Friday May 7, 2010 / 11:00am—2:00pm

Special Guest Facilitator

AYP CEO Donna Dunn

Did you ever attend a conference or program and come away with the best idea -- that you learned from a colleague during the coffee break?

Have you ever attended a program where your question never got answered and you were pretty sure that other people in the room had the same question?

Did you ever stop to consider that you are an expert at what you do and have knowledge and experience to share?

AYP Chapter 2 is holding a unique meeting May 7 - an un-meeting. An un-meeting addresses just those situations. Using an innovative and creative format you can bring your ideas, challenges and concerns and have your peers provide insight and possible solutions. The confidential conversations at an un-meeting make it a safe place to share what you know and what you wish you knew.

The meeting is designed to give you an opportunity to meet your YMCA peers from our chapter; to offer you a structured time to capitalize on others' expertise, experience and thoughts; and to give you a place to think about and plan to address your particular challenges.

AYP CEO Donna Dunn will facilitate this un-meeting using a specific process that is sure to have your question or issue brought forward. And it is sure to connect you with people who can help you create solutions.

And she just might fill us in on changes taking place at AYP as well.

Come and learn from your peers and colleagues. Come and share your experience. Come and make connections that will provide support throughout the year.
